Discussion/Action: Review Revisions to the Resource Lands and Critical areas of the Comprehensive Plan:

Planner Danison went through the Resource Lands, Critical Areas, and Shorelines section of the Comprehensive Plan. It is determined that throughout the document, the word "shall" will be changed to "should" since it would make it more of a policy statement. Danison stated that the Planning Commission will work on updating the Comprehensive Plan and then work on the Regulatory Documents.

The Comprehensive Plan update should be completed by June 2019.

Next Steps:

Next meeting is planned for 2/13/19.

There being no further business Commissioner Battle adjourned the meeting at 6:07p.m.
