325 N. Lincoln Street, Twisp, WA 98856

The Pool was originally constructed in 1966 through generous donations and the hope that all little ones would learn to swim. The pool continues to operate because of the **Friends of the Pool** and many community organizations and their never ending fundraising.

The **Friends of the Pool** play a huge part in keeping our pool afloat. Without their unwavering support and dedication the pool would not be operational today. You can play a part in keeping our pool going by sending a donation to the **Friends of the Pool**, PO Box 438, Twisp, WA 98856 also check out our website for more information.
