118 S. Glover, Twisp, WA 98856
(509) 997-4081 - Fax (509) 997-9204

To: All Contractors Applying to Work With Twisp

Complete and return the attached application to Twisp Town Hall. You can fax to 509-997-9204 or mail (Town of Twisp, Attn: Clerk, PO Box 278, Twisp WA 98856).

Qualifications. Twisp seeks only those firms that meet the qualifications below:

- Hold a State of Washington contractors license and required bonding at the time of application and throughout enlistment on the roster;
- Hold specified insurance at the time of application and throughout enlistment on the roster;
- Companies that have been in business two consecutive years prior to application;
- Companies that have an understanding of the State prevailing wage requirements and can provide the necessary reports.
- Companies that have a responsible claims history, strong safety record and strong financial history.
- Current Town of Twisp business license.

The Town of Twisp uses this Roster to invite contractors to bid on projects under \$300,000. The Town invites at least five contractors, qualified in particular specialty, to submit quotes. Retainage will apply to all projects. Projects above \$30,000 require Performance and Payment Bonds. The lowest responsive and responsible bidder is selected. Proof of insurance is also required.

Prevailing wages are required on every project. Costs to file prevailing wage statements with the State of Washington are borne by the Contractor. The Town must receive all prevailing wage forms before invoice payments can be made.

The Town shall discard applications that are not complete or not acceptable. Companies may submit a new application at a later date; the Town receives applications year-round. If there is a change in business ownership or status the Contractor should reapply. Applications will be kept on the roster from year to year unless the Town advertises that all contractors have to reapply.

Please access our website at www.townoftwisp.com to verify that your company is on the shared roster or for other information.

Thank you for your interest. If you have questions, call Town Hall, at 509-997-4081.

Sincerely,

Randy Kilmer
Clerk/Treasurer, Town of Twisp
