Parks & Recreation Commission
Regular Meeting
Monday, May 10, 2021 Time: 2:30pm**

The Parks and Recreation Commission of the Town of Twisp invites you on a bike tour of town parks and trails. As an opportunity to look at current park conditions and opportunities as they update the Parks and Trails plan for the Town, they will tour the parks on bike, identify areas for improvement, and opportunities for new ideas. Come join the commission on bike and provide your input. Meet at the Twisp Commons Park (next to the Community Center) on May 10, at 2:30pm.
